

2023 Workshare Descriptions Kittatinny Mountain Farm

We currently have the following positions open:

Option 1: Harvest Workshare

Harvest workshares will work every Friday morning 8am-12pm starting in mid June and ending in mid October for a total of 20 shifts in exchange for a full CSA share from the farm.

Help harvest for both our CSA and Farmers Markets. This work is fast paced as we rush to get everything harvested before the heat of the day sets in. Involves lots of bending over and attention to detail for both quality control and consistency in bunch size. Can be monotonous as we harvest the same things in the same order week after week. Will be rewarding to see the bounty of the harvest brought in!

Option 2: Field Workshare

Field workshares will work every Wednesday or Thursday morning 8am-12pm approximately May 3rd to September 13th for a total of 20 shifts in exchange for a full CSA share from the farm.

Help us to do everything related to growing good crops-this will involve planting, weeding, thinning, field clean up, etc. The work is fast paced and involves lots of bending over and attention to detail. Can be monotonous as we sometimes spend an entire morning on one task. Will be rewarding to learn how your food is produced and know that you are directly involved in helping the crops to grow and thrive! The Thursday shift may occasionally be a mix of field work and harvest work.

Option 3: Harvest/Field Workshare Combination

This option allows you to work 2 shifts a week, either Wednesday and Fridays or Thursday and Fridays, for 10 weeks and 20 shifts total in exchange for a full CSA share from the farm. The 10 week option will run from approximately June 28-30th until August 30th-September 1st. This a great option for anyone who has the summer off (teachers/students/etc.)

Expectations:

- We ask that you be interested in learning our methods of farming.
- Be able to take direction and work independently as well as with a team.
- Be a hard worker.

- Be able to work **quickly** and efficiently.
- Be able to work out in “the elements,” rain or shine, hot or cold;
- Be able to stand/crouch/bend for extended periods
- Be able to lift up to 50 lbs.
- Be on time and ready to work.
- Be committed to working with us for the full season in exchange for a full share- any missed shifts due to vacation or illness need to be made up. We offer flexibility in making up shifts but ask that you try to stick to your original shift as much as possible.

How to Apply

If you are interested in applying to be a workshare, please fill out the workshare application on our website www.kittatinnymountainfarm.com and email it back to us at kittatinnymountainfarm@gmail.com
